

Brandes Investment Partners Recognized as One of *Pensions & Investments*' 2025 Best Places to Work in Money Management

San Diego, CA (Dec. 8, 2025) – Brandes Investment Partners (Brandes), a boutique independent investment management firm, is proud to announce it has been named to *Pensions & Investments*' (P&I) 2025 list of Best Places to Work in Money Management, marking the third consecutive year the firm has received this recognition.

Presented by *Pensions & Investments*, a global news source for money management and institutional investing, the Best Places to Work survey and recognition program identifies and recognizes the best employers in the money management industry.

"This recognition would not be possible without our exceptional employees," said Oliver Murray, CEO of Brandes. "We strive to provide teammates with opportunities to grow their expertise through collaboration, career development, and appreciation for their diverse skillsets, and we remain committed to fostering a positive employee experience."

"As their employees attest, the companies named to this year's Best Places to Work list demonstrate a commitment to building and maintaining a strong workplace culture," said P&I Editor-in-Chief Julie Tatge. "In doing so, they're helping their employees, clients and businesses succeed."

Pensions & Investments partnered with Workforce Research Group, a research firm specializing in identifying great places to work, to conduct a two-part survey process of employers and their employees.

The first part consisted of evaluating each nominated company's workplace policies, practices, philosophy, systems and demographics. This part of the process was worth approximately 20% of the total evaluation. The second part consisted of an employee survey to measure the employee experience. This part of the process was worth approximately 80% of the total evaluation. The combined scores determined the top companies.
