Mentorship Program for College Women

The **Brandes RISE Mentorship Program for College Women** connects career-oriented individuals motivated to learn about the investment management industry with Brandes professionals to help you seek your place in our exciting sector. Our goal is to foster interest and empower you by nurturing knowledge and building confidence.

Through our focused program, you will:

- Gain access to two mentors—at least one of whom will be a woman.
- Tap into mentors' professional experience and get useful career tips and advice.
- Learn about the structure of the investment industry and the skills needed to navigate different jobs.
- Build an early-career support network with fellow mentees and mentors.

Why You Should Seek this Career Empowering Opportunity

Founded in 1974, Brandes Investment Partners is a leading investment advisory firm based in San Diego, California. It was among the first investment firms to invest globally with a value style. Privately owned, Brandes has offices in Milwaukee, Toronto, Dublin and Singapore and manages global equity and fixed-income assets for clients worldwide. For more about us: brandes.com | [Corporate Brochure](#).

Additionally, mentees may have the opportunity to participate in the Capstone Project (optional), where they will get a hands-on experience to research and value a company under the guidance of a Brandes Capstone Project Lead. This project is for mentee's learning purpose only and is subject to availability of Brandes mentors who volunteer as project leads.

Program Attributes and Target Candidates

Brandes RISE runs from December 2023 to May 2024. Female undergraduate students attending a four-year university program in the San Diego area are eligible to apply. You are an ideal candidate if you're a sophomore or junior, but we encourage all undergraduates to apply. First-year MBA students will also be considered on a selective basis.

Apply by October 30, 2023 to be Eligible

Please submit your application by this deadline for consideration. You may expect to hear from us in mid to late November.

For More Information and to Apply

Go to our website BrandesRISE@brandes.com to learn more details about the program and our mentors; as well as download the application form. You may reach us via email at RISE@brandes.com.

Please Note: The Brandes RISE Mentorship Program for College Women does not provide an offer of employment. However, mentees who complete it are strongly encouraged to apply for the Research Associate position or the MBA program on [Brandes Careers](#).
