If we determine that charging a fee is warranted, we will let you know and will provide you with an estimate of the associated costs of responding to your request(s).

If we determine that we cannot or will not take the action that you requested, we will let you know. We will inform you of our reasons for not taking action and any rights you may have to appeal the decision.

Unless you tell us that you would like to receive a response via postal mail, we will respond to you via email regarding your requests to know and to access the specific pieces of personal information we have about you. We will contact you at the email address you provided when submitting your request(s). If you would like to receive responses to a request to know or access personal information via postal mail rather than email, please let us know when submitting your request(s).

Limitations

The CCPA does not apply in full to all personal information we collect from California residents. Therefore, even if you are a California resident and submit a verifiable request, we may not be required to comply with your request.

We are only required to respond to certain requests twice in any twelve-month period. We are not required to provide you access to specific pieces of personal information more than twice in any twelve-month period. Similarly, we are not required to comply with your "requests to know" more than twice in any twelve-month period.
