The foregoing reflects the thoughts and opinions of Brandes Investment Partners® exclusively and is subject to change without notice. The information provided in this material should not be considered a recommendation to purchase or sell any particular security. Unlike bonds issued or guaranteed by the U.S. government or its agencies, stocks and other bonds are not backed by the full faith and credit of the United States. Stock and bond prices will experience market fluctuations. International and emerging markets investing is subject to certain risks such as currency fluctuation and social and political changes; such risks may result in greater share price volatility. Stocks of small companies usually experience more volatility than mid and large sized companies. No investment strategy can assure a profit or protect against loss. Brandes Investment Partners® is a registered trademark of Brandes Investment Partners, L.P. in the United States and Canada.
