Frank Murtha, Ph.D., co-founder of MarketPsych, specializes in helping others apply behavioral finance to build relationships, increase assets and improve returns. He has consulted to dozens of leading financial institutions and trained thousands of professionals. Dr. Murtha is not affiliated with Brandes Investment Partners. His views are his own and do not necessarily represent those of Brandes.

No investment strategy can assure a profit or protect against loss. Brandes Investment Partners does not guarantee that the information supplied is accurate, complete or timely, or make any warranties with regard to the results obtained from its use. Brandes Investment Partners does not guarantee the suitability or potential value of any particular investment or information source.

Past performance is not a guarantee of future results. This information is not a recommendation to purchase or sell any particular security. It should not be assumed that the security transactions or holdings discussed were or will be profitable, or that the investment recommendations we make will be profitable or equal the performance discussed herein. Strategies discussed are subject to change at any time due to market conditions. The Brandes investment approach tends to result in portfolios that are materially different than their benchmarks with regard to characteristics such as risk, volatility, diversification, and concentration. One cannot invest directly in an index. International and emerging markets investing is subject to certain risks such as currency fluctuation and social and political changes; such risks may result in greater share price volatility. There is no assurance that a forecast will be accurate. An investor should not rely on forecasts without realizing their limitations.
