

Disclosures

GFC means Global Financial Crisis.

Past performance is not a guarantee of future results. One cannot invest in an index.

Diversification does not assure a profit or protect against loss in a declining market.

Statements in this podcast are for informational purposes only and represent the opinions of the speakers expressed at the time of the recording. The statements are not intended to forecast or guarantee future events. This is not a recommendation for any product or service or to serve as investment advice. Opinions may change based on market and other conditions without notice. Data has been obtained from sources considered reliable, but Brandes makes no representations as to the completeness or accuracy of such information.

The information provided in this material should not be considered a recommendation to purchase or sell any particular security. It should not be assumed that any security transactions, holdings or sectors discussed were or will be profitable, or that the investment recommendations or decisions we make in the future will be profitable or will equal the investment performance discussed herein. Strategies discussed are subject to change at any time by the investment manager in its discretion due to market conditions or opportunities. Brandes Investment Partners does not guarantee that the information supplied is accurate, complete or timely, or make any warranties with regard to the results obtained from its use. Market conditions may impact performance. The performance results presented were achieved in particular market conditions which may not be repeated. Moreover, the current market volatility and uncertain regulatory environment may have a negative impact on future performance. The Brandes investment approach tends to result in portfolios that are materially different than their benchmarks with regard to characteristics such as risk, volatility, diversification, and concentration. All investments carry a certain degree of risk including the possible loss of principal.
