**Information to note:**

- All Brandes funds have the potential to pay additional distributions in the form of capital gains and/or income. The record dates, ex dates, payable dates and reinvestment dates for these additional distributions are yet to be determined. Brandes will communicate which funds have the potential to pay income or capital gains and the timing of those distributions at a later date.  
 - Net asset values (NAV) will drop on the distribution ex-date to reflect the portfolio's NAV after distribution; this drop would be in addition to any effect the market's performance had on the securities within the portfolio.
